

## 1.0 Preface

This handbook was designed to be a resource for the leadership of Partners of Wisconsin Hospital Association. The contents are a guide for leaders to become more knowledgeable about the framework of the organization. It is hoped that the Partners of WHA Leadership Handbook will be used frequently as a source of reference and clarification.

Further leadership information can be accessed at the Partners On-Line Resource Center found on the web at [www.partnersofwha.org](http://www.partnersofwha.org).

## 2.0 Mission Statement

Partners of WHA supports health care volunteers through education and advocacy for the health of our communities.
