

10.0 PAST PRESIDENT PARTNERS OF WHA

TO THE PAST PRESIDENTS OF THE PARTNERS OF WHA

Here's all Past Presidents
Who have served us so well.
We want to say, "Thank You!"
"We think you all are swell!"

Without complaining, you did the job.
You were elected to do.
Diligent in your duties
To serve all – not just a few.

The convention events and
Memories of meetings on end –
The problems you solved,
And lives you helped to mend.

Your months in office went too fast –
So much to do – so little time!
But – as Prez – you did your job.
Getting things done – so subline!

New Celebrating, 70 years of Partners,
And honoring our President Past –
Giving your time and talent
So, our Volunteer Partners would last!

So, we are here to salute you.
For a Super job – well done!
So, here's a standing "O" for you.
You've worked hard now, have some FUN!

THANK YOU!
