

Greetings to all *Partners of WHA Heroes*

The 2018 Partners of WHA committee invites you to join us in celebrating

You – The Volunteers – Our Everyday Heroes.

**CONVENTION TO BE HELD
October 2 – 4, 2018**

**Holiday Inn and Convention Center
1001 Amber Avenue
Stevens Point, Wi 54482**

Sheree Schaefer, the convention chair, and her trusted sidekicks have been working diligently to put together an out-of-this-world educational and enjoyable convention. Speakers are scheduled and workshops addressing various topics are planned. There will be vendors, exhibits, raffles and most importantly, time to network with other volunteers from all over Wisconsin.

Please be sure to take note of all **deadlines** for registration and hotel reservations. Also, remember to showcase your hospital projects and news-worthy items on your hospital display boards. As in the past, we ask each district to donate a basket for the general raffle, and hospitals to donate an item for the silent auction.

Sometimes heroes wear smocks or vests instead of capes. An everyday hero is someone who makes a difference in people's lives. As volunteers you make a difference – one smile or small act at a time. By working together we can make this convention **SUPER SPECTACULAR!!**

VOL-461 flyer

Enjoy the summer, be safe and hope to see you all in October.

Jan Molaska
President, Partners of WHA
