You're Invited!

Emotional Intelligence Impact

September 11, 2024

1:00-2:00 pm CST

Free Virtual Webinar

Join us for an engaging webinar on Emotional Intelligence tailored specifically for hospital volunteers. This session will equip you with the skills to better understand and manage your emotions, enhance patient interactions, and foster a compassionate, supportive environment. Gain valuable insights into effective communication, empathy, and stress management to improve both your personal and volunteer experiences.

- Understand the five dimensions of emotional intelligence
- Gain insights into the benefits of increasing emotional intelligence
- Personalize a plan to work on emotional intelligence

Molly Mackey, MBA, CTPD

**Chief Learning Officer
LEADERnship Institute**

As an author, speaker and trainer of leaders, Molly believes that by intentionally intersecting the ongoing journeys of leadership and learning, we can create better leaders and Better Leaders = Better Lives™. Molly has over 19 years of business and speaking experience. She has a passion for business, strategy, leadership and learning. She is the founder and chief learning officer of the LEADERnship Institute and holds a Masters of Business Administration from the University of Iowa, a Certified Professional of Talent Development (CPTD) from the Association of Talent Development and in late 2023 and early 2024, Molly gained Artificial Intelligence (AI) certifications from LinkedIn Learning and IBM.

Molly has three books and they include:

- 52 Powerful Reflection Questions for Leaders
- 52 Powerful Reflection Questions for Emotionally Intelligent Leaders
- 52 Powerful Reflection Questions for Teams
