Wrap-Up*

Holly Daniels
Greater MN Program Manager
*MN Alliance for Volunteers
Advancement (MAVA)*

In the past few years, people's priorities have shifted dramatically. Have our volunteer recruitment strategies shifted as well?

This presentation will focus on potential barriers that keep new volunteers from coming, and action steps for overcoming them. We will look at our recruitment messages and methods, and ask: "Can we better attract and invite people to consider involvement with us?"

Sponsored by "Power of Connection Regional Partnership":

Iowa Hospital Auxiliaries and Volunteers | Minnesota Association of Healthcare Volunteers
North Dakota Hospital Association | Partners of Wisconsin Hospital Association

Registration Required
