

Advocacy, Education, Leadership, Service

Welcome to your new role as a hospital/healthcare volunteer! As you become acquainted with all that your local volunteer organization does, please know there are additional opportunities for you to participate in committees and events at the district and state level. Partners of WHA, founded in 1951, emphasizes member participation in health education and advocacy, and in volunteer service to Wisconsin's healthcare facilities. The Partners organization is divided into 7 districts across the state with 52 member hospital groups and 6,000+ volunteer members.

Speak with your local President, DVS, District Chair or a state officer to find out how you can be more involved at the district and state levels!

Partners of WHA Membership Benefits

- access to legislative and community health education information
- learning opportunities through district meetings and state convention
- leadership training and skill development
- networking with other volunteers
- recognition of projects and services
